VEHICLE SERVICE AGREEMENT

This Agreement is between the Agreement Holder ("You" or "Your") specified in the Agreement Information and Toyota Motor Insurance Services, Inc. ("TMIS"). It provides for the repair of mechanical failures of components specified in this Agreement. TMIS has the sole and exclusive administrative responsibility for this Agreement. TMIS is sometimes referred to in this Agreement as the "Administrator".

COVERAGE UNDER THIS AGREEMENT

Subject to the terms and conditions of this Agreement, if a covered component fails, TMIS agrees to pay for the repair or replacement of the component(s), as well as any applicable towing, substitute transportation, and/or dislocation benefits listed in the Agreement Information, less Your deductible. Any repair or replacement of a covered component may be made with one of functionally equivalent properties.

The coverage provided by this Agreement, less Your deductible, shall be secondary to any other valid repair agreement, manufacturer's warranty, roadside assistance program, limited warranty, or insurance policy covering the vehicle. If other coverage fully pays a claim covered by this Agreement, less a deductible, then You are entitled to reimbursement under this Agreement for only the other coverage's deductible up to \$100 per repair visit. If a manufacturer's warranty may be transferred with the vehicle, and the transfer requires payment of a fee, then You are entitled to reimbursement under this Agreement of that fee up to \$100. Your deductible does not apply to these benefits.

This Agreement terminates at midnight of the AGREEMENT EXPIRATION DATE or when the odometer reading of the covered vehicle reaches the AGREEMENT EXPIRATION MILEAGE, whichever occurs first.

DEDUCTIBLE

The deductible indicated in the Agreement Information is the dollar amount You pay for all covered repairs made in a single repair visit. Only one deductible will apply if the failed covered components cannot be repaired in a single repair visit.

LIMITATIONS OF LIABILITY

TMIS' liability under this Agreement shall never exceed the following:

Over The Life Of This Agreement: If this Agreement is defined by TMIS as a "New Vehicle Plan" then TMIS' liability is limited to the Manufacturer's Suggested Retail Price of the covered vehicle. In all other cases, TMIS' liability is limited to the value of the vehicle, as determined by TMIS, at the time this Agreement was purchased.

Per Repair Visit: TMIS' liability is limited to the cost of the covered repair(s) or the value of the vehicle determined by TMIS at the time of the repairs(s), whichever is less.

TOWING BENEFIT:

If a covered component fails, You are entitled to reimbursement for Your towing expenses to the nearest dealership or authorized repair facility, up to the limits specified in the Agreement Information. Valid receipts will be required for reimbursement. Your deductible does not apply to this benefit.

SUBSTITUTE TRANSPORTATION BENEFIT:

If Your vehicle is undergoing a repair covered by this Agreement, or a repair covered by the manufacturer's warranty which would be covered by this Agreement, then You are entitled to reimbursement for Your substitute transportation expenses up to the limits specified in the Agreement Information. Valid rental agencies' or auto dealers' receipts will be required for reimbursement. Your deductible does not apply to this benefit.

DISLOCATION BENEFIT: (if indicated in the Agreement Information)

If You are over 150 miles from Your principal residence and Your vehicle requires overnight repairs covered by this Agreement You are entitled to reimbursement for Your food and lodging expenses up to the limits specified in the Agreement Information. Your deductible does not apply to this benefit. **This benefit requires prior approval of the Administrator.**
